CARE INSTRUCTIONS

No maintenance is required for this chair

FLAMMABILITY INSTRUCTIONS

The foam and fabric used on this chair meet the requirements of Australian/NZ Standard AS/NZS4088.1 and pass the smouldering cigarette test.

REGULAR CARE

Protect from direct sunlight, vacuum regularly using low suction.

SPOT CLEANING

Do not remove any part for separate cleaning. Treat spills and stains as soon as possible. Gently scrape any soil or mop any liquid from the surface. Do not rub. Apply proprietary cleaning agent strictly according to instructions to remove the residue of the spill.
