

Maker Collection

Elevate collaborative learning with the Maker Table Range, featuring integrated tote storage for seamless access to resources in bustling STEM and Makerspace environments.

Maker Collection

Features & Highlights

- ➔ Engineered for high-impact use in STEM and maker spaces.
- ➔ Choose open shelving, cupboards or tote trays to suit your tools.
- ➔ Low-emission, easy-clean tops built for daily classroom use.
- ➔ Sized to support 4–6 students for group-based activities.
- ➔ Lockable castors add mobility for flexible spaces.
- ➔ Order without a raised edge for a flush, multi-use surface.

Technical Specifications

Substrate Core: MDF Standard E0

Material Parameters

Width: 1200mm | **Length:** 2400mm | **Thickness:** 18mm | **Weight:** 20Kg/m²

Face: Double Sided | **Edging:** Standard ABS Edgebands | **Repeat:** None

General Care Tips

Daily Care: Start by dusting the laminate surface with a soft, dry cloth to remove loose dirt and dust. For routine cleaning, use a damp cloth with a mild detergent or a specifically formulated laminate cleaner. Ensure that the cloth is only slightly damp to avoid excess moisture.

Deep Cleaning: For a more thorough clean, mix a small amount of mild dish soap with warm water. Gently wipe the surface using a soft cloth, following the grain or pattern of the laminate. Rinse the cloth with clean water and wipe again to remove any soap residue. Dry the surface with a clean, dry cloth to prevent water spots or streaks.

What to Avoid

Bleach and Harsh Chemicals: Avoid using harsh chemicals such as bleach, ammonia or acidic cleaners, as these can damage the laminate's protective layer and lead to discoloration or peeling.

Abrasive Materials: Never use steel wool, scouring pads, or any abrasive materials on laminate surfaces, as they can cause scratches and dull the finish.
