**The Nordic Linea Activity Centre features low-height storage with added space for larger items like board games and puzzles. Perfect for keeping kids' favourite toys!**

**Storage** – Three small open bays for toys and supplies, plus a larger storage area for bulkier items

**Options** – Spaces can be customised with tote boxes or Lilypad square floor cushions for added flexibility.

**Raised Lip Design** – Slightly raised edge around the work surface prevents items from falling off during play.

**Lockable Castors** – Easy-roll, lockable castors make it simple to move around the room for flexible use.
